

# 14th International Workshop on Higher Education Reform (HER 2017)

Research Institute for Higher Education, Hiroshima University

---

26 (Tue) - 28 (Thu) September 2017

Hiroshima, Japan

International workshops on Higher Education Reform (HER) have taken place annually since 2003. This year's HER workshop will be organised by the Research Institute for Higher Education (RIHE), Hiroshima University. As in previous workshops, it will bring together higher education researchers and policy analysts from different countries and higher education systems who will present and discuss their research and analyses with respect to the workshop theme: **ENHANCING PERFORMANCE AND PRODUCTIVITY IN HIGHER EDUCATION**.

Proposals of up to 400 words for papers or up to 800 words for panels should be sent via email to: [iwher2017@hiroshima-u.ac.jp](mailto:iwher2017@hiroshima-u.ac.jp)

The deadline for submission of abstracts is 30 April 2017. Submissions will be peer reviewed. For further details on this workshop, please consult the website below.
